fox@doeren.com

With over 30 years of experience specializing in the construction, manufacturing, retail and health care related industries, clients rely on Todd's extensive knowledge to guide their financial business decisions. Earning the trust of a diverse portfolio of clientele, Todd specializes in meeting their auditing, tax and advisory needs.

He assists clients in navigating the complexities of corporate tax planning and risk mitigation to position businesses for success. Taking a holistic view of the business, he provides strategic guidance to enhance costing and margin efficiencies, projections to drive business profitability, and supports management teams with domestic and international expansion initiatives. Furthermore, Todd has extensive experience in helping navigate the financial complexities of growth initiatives in the merger and acquisition process.

Todd's well-rounded advisory approach and commitment to helping clients allows his clients to gain valuable insights needed to achieve their financial and business objectives.
